Discussion Questions

1. What has challenged you, changed you or confused you from this week's sermon or the book of Galatians?
2. What sources of false teaching do you see in our world? What false teachings are potential trouble spots for you?
3. In verses 10-12, Paul uses strong language about the false teachers. **Why do you think Paul warns so strongly against them?**
4. In the sermon, 3 questions were asked. Let's spend time unpacking those:
 - **Are you staying on course? How about in these areas:**
 - Truth?
 - The centrality and supremacy of the Gospel above all else?
 - Staying away from legalism and being judgmental?
 - **Are you producing spiritual fruit?**
 - How is God being glorified in your life?
 - How are others being influenced by you?
 - How are you advancing the Kingdom of God?
 - **Are you being leavened?**
 - How is the good news about Jesus continuing to change you, to grow your character, to make you more Christ-like?
 - Take a moment to evaluate each of these qualities that Paul describes in Galatians 5:22-23 as the fruit of the Spirit. Are you becoming more loving, joyful, peaceful, patient, kind, good, faithful, gentle, self-controlled?
5. What will you do this week to reduce or limit your exposure to false teaching, and what will you replace it with?
