## Discussion Questions

**What has challenged you, changed you or confused you from this week's sermon or your consideration of Jesus' resurrection?**

1. The Resurrection is one of the foundational pieces of Christianity. If that is removed, if Jesus would have stayed dead and buried in the tomb, the whole thing falls apart.
  - **Why is that the case?**
  - **Can you think of Scriptures that address that?**
2. **Have you ever had a discussion with someone outside the faith about the resurrection? How did that go?**
3. **How often do you think about Jesus' resurrection? How would you say it either helps or hinders your faith?**
4. **The sermon declared that Jesus' resurrection is THE solution:**
  - Jesus is the Resurrection and the Life
  - Death could not hold Him down
  - Jesus died that we might live
  - Jesus invites us into the life of light: walking with Him
5. **Does one of those points resonate with you? How so?**
  - **How is Jesus' resurrection impacting, challenging, or changing your life today/this week/in this season of your life?**
  - **Who can you tell about that?**

*Spend some time thanking God for Jesus' resurrection, and pray for opportunities to share about it and its impact in your life.*
