Discussion Questions

What has challenged you, changed you or confused you from this week's sermon or the book of Hebrews?

1. In this week's sermon, 3 reasons were given that highlight faith's importance:
 - What you believe determines your behavior and your behavior determines what you become.
 - Faith is confidence that God is who He says He is and He will do all He has promised to do.
 - Saving Faith has a very specific object and a very specific content.
 - **What areas in life are you facing where you feel like your faith is stronger?**
 - **What areas in life are you facing where you feel like your faith is weaker?**
2. **What is keeping you from being more confident in God? In what areas do you tend to mistrust Him? Or phrased another way, in what areas of your life do you tend to not think of God's involvement? Or think you've got to do it?**
3. **What are some things that you can do this week (or tonight!) that would build your confidence in God?**

May our faith, hope and love shine as a beacon of light in our dark world.
