## Discussion Questions

**What has challenged you, changed you or confused you from this week's sermon or the Scripture passages?**

1. What does our world think of as surrender?
  - How does the Bible view surrender?
  - What do you picture when you think of surrender?
  - What would it take to move your view more into alignment with the biblical view?
2. In Luke 9:57-62, Jesus presents the idea that there is a cost involved in following Him.
  - Have you ever connected this idea of paying a cost and surrender to rest?
  - How does it connect (read Matthew 11:28-30)?
3. Where could you use rest in your life?
4. Is there any area of surrender that (today!) would help you receive the rest that Jesus makes available?

***May our rest be deep, lasting, and rooted in Jesus' unfailing love for us!***
