## Discussion Questions

**What has challenged you, changed you or confused you from this week's sermon or the Scripture passages?**

1. On a scale of 1-10, how high or low is your value of people outside God's Kingdom
  - How have those impacted your view of God?
  - Your view of yourself?
  - Your view of others?
2. Have you ever thought that you were at a point where God couldn't or wouldn't use you? If so, why?
3. Our culture has traditionally been very performance-based (the better a person's performance, the greater value/worth they have, which then equates to them being more "useful"). How does that concept connect to this sermon? How does God's covenant love require an upheaval in that thinking?
4. As it relates to performance vs. covenant love, what perspective do you normally take with:
  - Yourself?
  - Family?
  - Coworkers?
  - Enemies?

***Where in your life do you need the message that God is not done? Who in your life needs to hear that message of love from you?***
