

# Reflecting Jesus - Service

## Scripture:

John 13:1-20

Also: Philippians 2: 5-8

## Discussion Questions

What has challenged you, changed you or confused you from this week's sermon or the Scripture passages?

1. For some, serving is a natural way of expressing care, but not for all. How do you rate it for yourself?
2. Is there a kind of person that you find more or less easy to serve? Why do you think that is? In what way does that factor into Jesus' service to humanity? (I.E., was it easy for Him?)
3. Some have difficulty receiving service from others; is that true of you? If so, why?
4. Have you ever seen someone serve their enemy? Or someone they're in conflict with?
5. In order to better reflect Jesus in your serving, what do you need to do to? Can you find one practical (more surface level) solution, and one root level solution?

*Spend some time thanking God for Jesus' humility, and His service for our good and God's glory! May we truly learn to reflect Him.*
