## Discussion Questions

1. What has challenged you, changed you or confused you from this week's sermon or the Scriptures in it?
2. On a scale of 1-10, how loved do you feel by God?
  - o Why?
  - o If it's lower than 10, what do you think needs to change to move the number up?
  - o Why?
3. Read John 3:16-17. Read any of the other passages on God's love.
  - o What does the Bible say about God's love for the world?
  - o Why does God love like that?
  - o How does God's perfect love relate to the number you picked?
4. What do you need to process through to bring how you feel about God's love in line (in harmony with) what God himself says about His love?
  - o What are some ways of this kind of processing that don't work? (For instance, ignoring how we feel, trying to compare our situation with others, pretending it's better or worse than it is, cliches, etc)
  - o What are some healthy ways of processing?

***Thank God for the desire He's placed in us to find fulfillment in Him alone, and thank Him for making that fulfillment available for us to experience by grace through faith in Jesus!***
