

# The Sound of Grace

**Scripture: Titus 2:11-14**

**Also: John 8:1-11**

**Discussion Questions**

1. What has challenged you, changed you or confused you from this week's sermon or the Scriptures in it?
2. Read Titus 2:11
  - In the sermon, the rescue of grace was described. How would you describe this rescue:
    - In general terms - for all people?
    - In specific terms - for yourself?
  - Take a moment to celebrate (somehow, through prayer, song, testimony, a moment of silence, Scripture, etc) the rescue of grace!
  - What questions do you have (or have you heard) about God's grace-filled rescue?
3. Read the rest of the passage, Titus 2:12-14.
  - The passage indicates that grace teaches us, or trains us for four different things:
    - To renounce ungodliness and worldly passions
    - To live self-controlled, upright, and godly lives in the present age
    - To wait for our blessed hope (the appearing of God/Jesus' glory)
    - To be Zealous for good works
  - In the sermon these were referred to as "the requirements of Grace."
    - Have you ever thought of grace as having requirements?
    - What if you view those four things as a part of God's riches?
    - What questions does this concept leave you with?
  - What area might the Holy Spirit be prompting you to be taught/trained by grace?
  - What will it take for you to cooperate with Him in this?

***Spend some time reflecting on God's grace in your life.***
